Goodbye 2010!....a look back on December

The **Blue Train** continues to bring smiles to kids and build the community!

Carl informs us that the Telkom family day was a huge success.

What's more? NINE successful birthday parties were held at the Blue Train...in one weekend! **Congrats Blue Train team!!**

Soccer Balls Galore! We continue to distributed soccer balls to underprivileged

schools. Most recent recipients included the Njanga Educare Centre, Sunny Haven Educare Centre and the Blouville Resource Centre.

Second Chance... was the debut at the Horse Race Event held on December 21st at Kenilworth. Proceeds went to benefit worth NGOs in and around Cape Town.

Second Chance enter-

tained the crowd with their amazing beats and rhythm...

And, our Rotarians, including **Rodney and Gavin**, were acknowledge for their

dedication...and **Farhat** presented the Rotary Sea Point Trophy.

And ...many had success betting on their favorite horses... though a few left with a little less

change in their pocket!

Remember

to Sign up for the Project Expo!
Rodney is the Chair of the weekend and Sea Point Rotary is involved, so please make every effort to attend!

Goodbye 2010....a look back on December!

The End of Year Party was held at the Victoria Junction Hotel. We were treated to amazing Spanish Dancing by the beautiful **Dame Mavis Mazinter**. Then, **Karen** was also inducted, and the GSE Team from Denmark, under the guidance of **Tony Davidson**, provided a presentation about their experience abroad.

At our final meeting before the end of the year, we were treated to a performance by our own **Jaako!** Jaako serenaded us with his Finnish singing and fantastic piano playing.

Dame Mavis delights us with dance!

And finally, the much anticipated micro-farming book, **Seed to Table**, produced with the assistance of three ambassadorial scholars based in South Africa, was officially launched at Kalk Bay Books.

Project News...

We may have had a short break....but Rotary has kept on working!

With the support of Hal and Bettye from Rotary of Inglewood, Ian from Rotary of Table Bay and the Rotary Clubs of Sea Point and Table Bay, Sea Point High School will be getting a much needed computer lab.

A round of applause to our visitors

We had the pleasure of meeting Farhat's sister, brother-in-law and nephew... The Mirza Family generously donated the cost to cover our space at the Project Expo at Rays Rotary Reunion! A key project to be showcased at the Expo is our international project: Aid to Pakistan . This will be part of the International project under the theme Bridging Continents Building Communities. Thank you to the Mirza Family!

Don't Forget Those Special

Dates...

Rotary Trivia!

Congratulations to **Michelle Arnsten** who won a box of chocolates for her correct answer to last month's Rotary Trivia: Question: In which Steven Spielberg movie was a character portrayed as a 'lifetime Rotarian'?

Answer: Catch Me if You Can

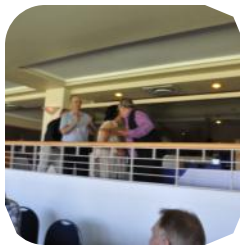

Are you ready for this month's question?:

Where was the first Rotary International Convention held outside North America?

- Perth, Australia
- Edinburgh, Scotland
- Parrow, South Africa
- London, England

Email karenattyah@gmail.com with your answer!
